

Adoption and Amendment of Policies, Procedures and Rules

Any policy, procedure or rule may be adopted or amended at any regular or special meeting of the Board of Directors upon a motion duly made and seconded and then approved by a simple majority vote. All policies, procedures and rules will be reviewed by the Board of Directors at least once per year, normally at the February meeting.

This policy for adoption and amendment of policies, procedures and rules is subject to review and modification by the Board of Directors.
